

Summer Term 2018

Friday 18th May 2018

Dear Parents/Carers,

What a jam-packed week we have had! A huge well done to our fabulous year six children who took their SATs tests this week. Both Mr Ormston and I were extremely impressed with how calm and relaxed the children were, and how well they tackled all the questions.

We are also hugely proud of our year two children who have completed some of their SATS tests this week and have the rest to finish off next week. Similarly, the way in which they have tackled their tests has been very impressive indeed. We will find out how they have all done later in the summer term, but the most important thing is - they have all tried their absolute best and we could not be more proud of them!

To finish off the week, the children came to school looking fabulous in red white and blue for our Royal Wedding Celebration day! All the children have made delicious cupcakes and have been creating some wonderful decorations and artworks to mark this special occasion. We are all looking forward to seeing the big event on our TV screens tomorrow!

We are delighted to announce that Mrs Juliet Edwards-Morris will be joining us as our Nightingales teacher in September. Juliet is currently completing her teacher training at Whissendine CE Primary School, and has found her passion in teaching after a previous career. Juliet is full of enthusiasm and is thrilled to be joining our dynamic and forward thinking school as she continues in her professional development. We hope to see her in school during the final summer term.

Well done to all the Nightingales children that took part in the recent hockey competition at Prince William School. Second place is very impressive! A big thank you to Mrs Sutterby for preparing the children so well for this event.

Finally, a quick reminder that the main school gate will be closed at 3.45pm to ensure the safety of our after school club children. You are very welcome to stay with your children as they play in the playground after school until that time. Please ensure all shed toys are put away properly if they are used.

I hope you all have a lovely half term holiday when it comes. We break up on Friday 25th May and return back to school on Monday 4th June, ready for a fun packed final term!

Mrs Lou Coulthard, Head of School

20th July	Last day of term 2pm Celebration and Leavers' Assembly

Swimming

We have been asked by Oundle pool to ask parents to ensure that any rash vests that the children wear for swimming are tight-fitting, as vests that are slightly large are slowing the children down in the pool. Also, we kindly ask that any extra snacks that the children bring to school for after swimming are healthy snacks. We are proud of our 'Healthy Schools' award, and ask that children don't bring cakes, sweets or crisps.

EXTRA EXTRA!

We have received word that the wizarding world's top newspaper, The Daily Prophet, will be printing a special edition just for the Glaphorn Summer Fete. Submissions are needed to help fill the pages with images and information about our muggle lives and activities at school. The editors are looking for original stories, news reports, poems, jokes, and/or illustrations. Please email your work to kimberly.pencille.collins@gmail.com with the subject line: Daily Prophet Submission. Deadline: May 30th.

**Glaphorn CE Primary School is looking for a new
Volunteer Governor**

What does the role entail?

Setting the schools vision, ethos and strategic direction
Holding the Headteacher to account for the educational performance of the school and its pupils
Overseeing the financial performance of the school and making sure its money is well spent

Activities:

Attending & contributing to governing board meetings & sub committees
Attending relevant governor training sessions
Visiting the school and getting to know the staff an pupils

People with experience of budgeting and finance will be particularly welcome. If you feel you can contribute your time, skills and knowledge to this role, please phone or e mail the school bursar@glaphorn.northants-ecl.gov.uk or phone on 01832 273452
